

## Product information

# GOLDEN FILM CLASSIC 2-STROKE

---

## Description

Golden Film Classic 2-Stroke Oil uses traditional technology to meet the requirements of classic, vintage and veteran motorcycles with air-cooled 2-stroke engines.

Golden Film Classic 2-Stroke Oil provides optimal anti-wear performance and a strong lubricating oil film that is ideally suited to older engines. It will prevent seizure in moments of temporary over-heating, as well as minimising deposit formation in the ports and exhaust. Can be used in both pre-mix and injector systems.

## Applications

An ideal choice for 1950's, 1960's and 1970's British, Japanese and European classic 2-Stroke motorcycle and scooter engines, including: Villiers, BSA, Bultaco, Lambretta, Vespa, Honda, Yamaha and many others.

## Performance Levels

API TC  
JASO FB.

## Physical Characteristics

Colour	Blue / Green
Density at 15 °C	0.880
Kinematic Viscosity at 100 °C, cSt.	10.5
Kinematic Viscosity at 40 °C, cSt.	83
Viscosity Index	110
Sulphated Ash, %Wt.	<0.10
Pour Point, °C	-25
Flash Point (Closed) °C	170
